Health Care

Health Care lawyers interpret the complex regulations and statutes that govern the administration of health services. They advise hospitals, doctors, pharmaceutical companies, insurance providers and others on all manner of issues related to the health care industry, including corporate governance, real estate, patents and licensing, data privacy, bioethics, risk management, compliance, insurance coverage, and medical

Loyola's Health Law & Bioethics Association students bring to campus alumni and other leaders in the health care law field. A Health Law Alumni Chapter provides students entree to the emerging area.

Concentration: Public Interest Law

Recommended Courses:

- Elder Law
- Health Care Fraud Enforcement
- Health Care Organizations: Business Planning and Regulatory Compliance
- Health Insurance Regulation: Law, Policy & Politics
- Health Law Survey
- HIV and the Law
- Law, Medicine and Ethics at the End of Life
- Legislation and Statutory Interpretation
- Mental Disabilities Law

Professors:

- Brietta Clark
- Michael Waterstone

Did You Know . . . ?

- Health care lawyers should have an interest in policy and an understanding of legislative procedures.
- Many health care lawyers start out in government service, working for agencies such as the Department of Justice and the Department of Health and Human Services, before being recruited to practice at law firms.
