You will become eligible for coverage on either:

1. the Plan Effective Date, if You have completed the Eligibility Waiting Period; or if not
2. the date on which You complete the Eligibility Waiting Period.

See the Schedule of Insurance for the Eligibility Waiting Period.

### **How do You enroll?**

To enroll You must:

1. complete and sign a group insurance enrollment form which is satisfactory to us; and
2. deliver it to the Employer.

If You do not enroll within 31 days after becoming eligible, the following limitations will apply to a later enrollment:

1. You must submit Evidence of Insurability satisfactory to us; and
2. You may not enroll until:

  - b) You have a Change in Family Status.

Any such enrollment must be made during the Annual Enrollment Period or within 31 days of the Change in Family Status.

The dates of the Annual Enrollment Period are shown in the Schedule of Insurance.

### **What constitutes a Change in Family Status?**

A Change in Family Status means:

1. Your marriage, or the birth or adoption of a child, or becoming the legal guardian of a child; or
2. the death of or divorce from Your spouse; or
3. the death of or emancipation of a child.

## WHEN COVERAGE STARTS

### When does Your coverage start?

If You are not required to contribute toward the plan's cost, Your coverage will start on the date You become eligible.

If You must contribute towards the plan's cost, Your coverage will start on the date determined below:

1. the date You become eligible, if You enroll or have enrolled by then;
2. the date on which You enroll, if You do so within 31 days after the date You are eligible;
3. the date we approve Your Evidence of Insurability, if You are required to submit Evidence of Insurability; or
4. the first day of the month following the Annual Enrollment Period if You enroll during an Annual Enrollment Period.

## DEFERRED EFFECTIVE DATE

### When will coverage become effective if a disabling condition causes You to be absent from work on the date it is to start?

If You are absent from work due to:

1. accidental bodily injury;
2. sickness;
3. pregnancy;
4. Mental Illness; or
5. Substance Abuse,

on the date Your insurance or increase in coverage would otherwise have become effective, Your effective date will be deferred. Your insurance, or increase in coverage will not become effective until You are Actively at Work for one full day.

## CHANGES IN COVERAGE

### Can You change benefit options?

You may change to an option providing increased or decreased benefits only:

1. during an Annual Enrollment Period; or
2. within 31 days of a Change in Family Status.

You may decrease coverage, or increase coverage to a higher option. An increase in coverage that is greater than the next higher option will be subject to Your submission of Evidence of Insurability that meets our approval.

### When will a requested change in benefit options take effect?

If You enroll for a change in benefit option during an Annual Enrollment Period, the change will take effect on the later of:

1. the first day of the month following the Annual Enrollment Period; or
2. the date we approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

If You enroll for a change in benefit option within 31 days following a Change in Family Status, the change will take effect on the later of:

1. the date You enroll for the change; or
2. the date we approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

Any such increase in coverage is subject to the Deferred Effective Date Provision.

**Do coverage amounts change if there is a change in Your class or Your rate of pay?**

Your coverage may increase or decrease on the date there is a change in Your class or Monthly Rate of Basic Earnings. However, no increase in coverage will be effective unless on that date You:

1. are an Active Full-time Employee; and
2. are not absent from work due to being Disabled.

If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Rate of Basic Earnings will become effective until the date we receive notice of the change.

**What happens if the Employer changes the plan?**

Any increase or decrease in coverage because of a change in the Schedule of Insurance will become effective on the date of the change, subject to the Deferred Effective Date provision.

**BENEFITS**

**When do benefits become payable?**

You will be paid a monthly benefit if:

1. You become Disabled while insured under this plan;
2. You are Disabled throughout the Elimination Period;
3. You remain Disabled beyond the Elimination Period;
4. You are, and have been during the Elimination Period, under the Regular Care of a Physician; and
5. You submit proof of loss.

Benefits accrue as of the first day after the Elimination Period and are paid monthly.

**Loss of License:** Your failure to pass a physical examination required to maintain a license to perform the duties of Your Occupation alone, does not mean that You are Disabled. However, information relating to Your loss of license supporting Your claim for benefits may be submitted as part of Your proof of Loss.

**When will benefit payments terminate?**

We will terminate benefit payment on the first to occur of:

1. the date You are no longer Disabled as defined;
2. the date You fail to furnish Proof of Loss, when requested by us;
3. the date You are no longer under the Regular Care of a Physician, or refuse our request that You submit to an examination by a Physician;
4. the date You die;
5. the date determined from the Maximum Duration of Benefits Table shown in the Schedule of Insurance;
6. the date no further benefits are payable under any provision in this plan that limits benefit duration; or
7. the date You refuse to receive recommended treatment that is generally acknowledged by physicians to cure, correct or limit the disabling condition.

**MENTAL ILLNESS BENEFITS**

**Are benefits limited for Mental Illness?**

If You are Disabled because of:

1. Mental Illness that results from any cause; or
2. any condition that may result from Mental Illness,

then, subject to all other Policy provisions, benefits will be payable:

1. only for so long as You are confined in a hospital or other place licensed to provide medical care for the disabling condition; or
2. when You are not so confined, a total of 24 months for all such Disabilities during Your lifetime.

## RECURRENT DISABILITY

### **What happens if You return to work but become Disabled again?**

Attempts to return to work as an Active Full-time Employee during the Elimination Period will not interrupt the Elimination Period, provided no more than 15 such return-days are taken.

Any day You were Actively at Work will not count towards the Elimination Period.

After the Elimination Period, when a return to work as an Active Full-time Employee is followed by a recurrent Disability, and such Disability is:

1. due to the same cause; or
2. due to a related cause; and
3. within 6 month(s) of the return to work,

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided the Group Insurance Policy remains in force.

If You return to work as an Active Full-time Employee for 6 month(s) or more, any recurrence of a Disability will be treated as a new Disability. A new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits. The Elimination Period and Maximum Duration of Benefits Table are in the Schedule of Insurance. The term "Period of Disability" as used in this provision means a continuous length of time during which You are Disabled under this plan.

## CALCULATION OF MONTHLY BENEFIT

### **How are benefits calculated for Disability?**

If You are Disabled after the Elimination Period, Your Monthly Benefits will be calculated as follows:

1. identify the Benefit Percentage Option, shown in the Schedule of Insurance, for which You enrolled;
2. multiply Your Pre-Disability Earnings by this Benefit Percentage,
3. identify the Maximum Benefit shown in the Schedule of Insurance; and
4. compare the amounts determined in items (2) and (3) above, and from the lesser amount subtract:
  - a) all Other Income Benefits; and
  - b) Current Monthly Earnings.

The result is Your Monthly Benefit. Your Monthly Benefit, however, will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

If a reduction to Your Monthly Benefit is applied for Current Monthly Earnings, we will adjust your Pre-disability Earnings for inflation annually by the percentage change in the Consumer Price Index (CPI-W) prior to taking that reduction. The adjustment will be made January 1st each year after you have been Disabled for 12 consecutive months, and if you are receiving benefits at the time the adjustment is made.

For the first 12 months that benefits are payable while working, We will only reduce Your Monthly Benefit by that amount of Your Current Monthly Earnings, which when combined with Your Monthly Benefit amount exceed 100% of Your Indexed Pre-disability Earnings. After 12 months We will subtract 50% of Your Current Monthly Earnings.

### **How is the benefit calculated for a period of less than a month?**

If a Monthly Benefit is payable for less than a month, we will pay 1/30 of the Monthly Benefit for each day you were Disabled.

## RETURN TO WORK INCENTIVE

### **How are benefits calculated if You return to limited duties during or following the Elimination Period?**

For the first 12 months of a period of Partial Disability, Your Monthly Benefit will be calculated as follows:

- 1) Multiply Your Indexed Pre-disability Earnings by the Benefit Percentage;
- 2) Compare the result with the Maximum Benefit; and

3) From the lesser amount, deduct Other Income Benefits.  
This is Your Monthly Benefit.

Your Monthly Benefit will be reduced by the amount of Your Current Monthly Earnings, which when combined with Your Monthly Benefit amount exceed 100% of Your Indexed Pre-disability Earnings.

**How are benefits calculated after the 12th Monthly Benefit has been paid?**

After 12 months of benefit have been paid to You for Partial Disability and for any remaining or additional periods of Partial Disability, Your Monthly Benefit will be calculated as follows:

- 1) Multiply Your Indexed Pre-disability Earnings by the Benefit Percentage;
- 2) Compare the result with the Maximum Benefit; and
- 3) From the lesser amount, deduct Other Income Benefits and 50% of Your Current Monthly Earnings.

The result is Your Monthly Benefit.

Your Monthly Benefit, however, will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

**How is the benefit calculated for a period of less than a month?**

If a Monthly Benefit is payable for less than a month, we will pay 1/30 of the Monthly Benefit for each day you were Disabled.

Benefit Percentages and Maximum Benefits are shown in the Schedule of Insurance.

**VOCATIONAL REHABILITATION/  
REHABILITATIVE EMPLOYMENT**

**What Vocational Rehabilitative services are available?**

**Vocational Rehabilitation** means employment or services that prepare You, if Disabled, to resume gainful work. If You are Disabled, our Vocational Rehabilitative Services may help prepare You to resume gainful work.

Our Vocational Rehabilitative Services include, when appropriate, any necessary and feasible:

1. vocational testing;
2. vocational training;
3. work-place modification, to the extent not otherwise provided;
4. prosthesis; or
5. job placement.

**Rehabilitative Employment** means employment that is part of a program of Vocational Rehabilitation. Any program of Rehabilitative Employment must be approved, in writing, by us.

**Do earnings from Rehabilitative Employment affect the Monthly Benefit?**

If You are Disabled and are engaged in an approved program of Rehabilitative Employment, For the first 12 months that benefits are payable to You under this provision, the sum of Your Monthly Benefit and Your earnings received from Rehabilitative Employment may not exceed 100 % of Your Indexed Pre-disability Earnings. If it does, the Monthly Benefit will be reduced by the amount of excess. We will deduct any Other Income Benefits from the Monthly Benefit payable to You under this provision.

After 12 months of benefits have been paid under this provision, Your Monthly Benefit will be:

1. the Monthly Benefit amount payable for Total Disability; but
2. reduced by Other Income Benefits and 50% of the income received from each month of such Rehabilitative Employment

## **FAMILY CARE CREDIT BENEFIT**

### **What if You must incur expenses for Family Care Services in order to participate in a program of Rehabilitative Employment?**

If You are working as part of a program of Rehabilitative Employment, we will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from Rehabilitative Employment, subject to the following limitations:

1. Family Care means the care or supervision of:
  - a) Your children under age 13; or
  - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
2. the maximum monthly deduction allowed for each qualifying child or family member is:
  - a) \$350 during the first 12 months of Rehabilitative Employment; and
  - b) \$175 thereafter,but in no event may the deduction exceed the amount of Your monthly earnings;
3. Family Care Credits may not exceed a total of \$2,500 during a calendar year;
4. the deduction will be reduced proportionally for periods of less than a month;
5. the charges for Family Care must be documented by a receipt from the caregiver;
6. the credit will cease on the first to occur of the following:
  - a) You are no longer in a program of Rehabilitative Employment; or
  - b) Family Care Credits for 24 months have been deducted during Your Disability; and
7. no Family Care provided by an immediate relative of the family member receiving the care will be eligible as a deduction under this provision. An immediate relative is a spouse, sibling, parent, step-parent, grandparent, aunt, uncle, niece, nephew, son, daughter or grandchild.

Your net earnings after deducting your Family Care Credit will be used to determine your net Monthly Benefit according to the Rehabilitative Employment provision. The sum of your net Monthly Benefit and gross income from Rehabilitative Employment, before deducting your Family Care Credit, may not exceed 100% of your Indexed Pre-disability Earnings. If it does, the net Monthly Benefit will be reduced by the amount of the excess.

## **COST-OF-LIVING ADJUSTMENT**

### **How do benefits keep abreast of inflation?**

Your Monthly Benefit for Total Disability may increase in accordance with the Cost-of-Living formula described below. The Cost-of-Living Adjustment is made each year on January 1st. Your Monthly Benefit may increase under this formula provided You:

1. have been Disabled for 12 consecutive months; and
2. are receiving benefits when the Cost-of-Living Adjustment is made.

### **What is the Cost-of-Living Formula?**

To apply the Cost-of-Living Formula:

1. determine the lesser of:
  - a) 3%; or
  - b) 1/2 the percentage change in the Consumer Price Index;
2. multiply the resulting percentage (%) times the Monthly Benefit for Disability being received; and
3. add the resulting amount to Your Monthly Benefit.

### **How long will Cost-of-Living Adjustments continue?**

No Cost-of-Living Adjustment will be made after You cease to be Disabled or you have received 5 adjustments.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, we may use another nationally published index that is comparable to the CPI-W.

For the purposes of this benefit, the percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31, and the prior year's CPI-W as of July 31, divided by the prior year's CPI-W.

"Totally Disabled," when used in this benefit, means that because of being Disabled, Your Current Monthly Earnings are less than 20% of Your Pre-disability Earnings.

### **SURVIVOR INCOME BENEFIT**

#### **Will Your survivors receive a benefit if You should die while receiving Disability Benefits?**

If You die while receiving benefits under this plan, a Survivor Benefit will be payable to:

1. Your surviving Spouse;
2. Your surviving Child(ren), in equal shares, if there is no surviving Spouse; or
3. Your estate, if there is no surviving Spouse or Child.

If a minor Child is entitled to benefits, we may, at our option, make benefit payments to the person caring for and supporting the Child until a legal guardian is appointed.

The Benefit is one payment of an amount that is 6 times the lesser of:

1. Your Monthly Benefit; or
2. the Maximum Monthly Benefit shown in the Schedule of Insurance for which You enrolled.

The following terms apply to this Benefit:

1. "Spouse" means Your wife or husband who:
  - a) is mentally competent; and
  - b) was not legally separated from You at the time of Your death.

Surviving Child(ren) includes children of Your California registered domestic partner.

With respect to California residents only, "Spouse" will include an individual who is in a registered domestic partnership with the employee in accordance with California law. Reference in this form to an employee's marriage or divorce shall include his or her registered domestic partnership or dissolution of his or her registered domestic partnership.

2. "Child" means your son or daughter under age 25 who is dependent on you for financial support.

## WORKPLACE MODIFICATION BENEFIT

### **Will our Rehabilitation program provide for modifications to the workplace to accommodate a Disabled employee's return to work?**

We will reimburse Your Employer for the expense of reasonable modifications to Your workplace to accommodate Your Disability and enable You to return to work as an Active Full-time Employee. To qualify for this benefit:

1. Your Disability must be covered by this plan;
2. the Employer must agree to make modifications to the workplace in order to reasonably accommodate Your return to work and the performance of the essential duties of Your job; and
3. any proposed modifications must be approved in writing by us.

Benefits paid for such workplace modification shall not exceed the amount equal to Your Pre-disability Earnings multiplied by the Benefit Percentage for which You enrolled.

We have the right, at our expense, to have You examined or evaluated by:

1. a physician or other health care professional; or
2. a vocational expert or rehabilitation specialist,

of our choice so that we may evaluate the appropriateness of any proposed modification.

The Employer's costs for approved modifications will be reimbursed after:

1. the proposed modifications made on Your behalf are complete;
2. we have been provided written proof of the expenses incurred to provide such modification; and
3. You have returned to work as an Active Full-time Employee.

This Workplace Modification benefit will not be payable if:

1. the Employer does not incur any cost in making the modification;
2. we have not given written approval of the modification prior to expenses being incurred; or
3. You become self-employed, or return to work for another employer.

**Workplace Modification** means change in Your work environment, or in the way a job is performed, to allow You to perform, while Disabled, the Essential Duties of Your job. Payment of this benefit will not reduce or deny any benefit You are eligible to receive under the terms of this plan.

## PRE-EXISTING CONDITIONS LIMITATIONS

### **Are there any limitations on coverage?**

This policy will not provide coverage for any period of Disability beginning within the first 12 months of the effective date of Your coverage under this policy if the period of Disability is caused by or substantially contributed to by a Pre-existing condition or the medical or surgical treatment of a Pre-existing condition.

You have a Pre-existing condition if:

1. You received medical treatment, care or services for a diagnosed condition or took prescribed medication for a diagnosed condition in the 3 months immediately prior to the effective date of coverage under this Policy; or
2. You suffered from a physical or mental condition, whether diagnosed or undiagnosed, which was misrepresented or not disclosed in Your application, and:
  - a. for which You received a physician's advise or treatment within 3 months before the date of Your coverage under this policy; or
  - b. which caused symptoms within 3 months before the date of issue for which a prudent person would usually seek medical advice or treatment.

## CONTINUITY FROM A PRIOR PLAN

### Is there continuity of coverage from a Prior Plan?

If you were:

1. insured under the Prior Plan;
2. Actively at Work; and
3. not eligible to receive benefits under the Prior Plan,

on the day before the Plan Effective Date, the Deferred Effective Date provision will not apply to you.

If you become insured under the Group Insurance Policy on the Plan Effective Date and were covered under the Prior Plan on the day before the Plan Effective Date, the Pre-existing Conditions Limitation will cease to apply on the first to occur of the following dates:

1. the Plan Effective Date, if your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Plan; or
2. if your coverage was limited by a pre-existing condition restriction under the Prior Plan, the date the restriction would have ceased to apply had the Prior Plan remained in force.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the previous paragraph will be the lesser of:

1. the Monthly Benefit which was paid by the Prior Plan; or
2. the Monthly Benefit provided by this plan.

No payment shall be made after the earlier to occur of:

1. the date payments would have ceased under the Prior Plan; or
2. the date payments cease under this plan.

If you received Monthly Benefits for Disability under the Prior Plan, and:

1. you returned to work as an Active Full-time Employee before the Effective Date of this plan;
2. within 6 months of the return to work, you have a recurrence of the same Disability under this plan; and
3. there are no benefits available for the recurrence under the Prior Plan,

the Elimination Period of this plan, which would otherwise apply to the recurrence, will be waived if the recurrence would have been covered without any further Elimination Period under the Prior Plan had it remained in force.

## EXCLUSIONS

### What Disabilities are not covered?

The plan does not cover, and no benefit shall be paid for any Disability:

1. unless You are under the Regular Care of a Physician;
2. that is caused or contributed to by war or act of war (declared or not);
3. caused by Your commission of or attempt to commit a felony, or to which a contributing cause was Your being engaged in an illegal occupation;
4. caused or contributed to by an intentionally self-inflicted injury.

If You are receiving or are eligible for benefits for a Disability under a prior disability plan that:

1. was sponsored by the Employer; and
2. was terminated before the Effective Date of this plan,

no benefits will be payable for the Disability under this plan.

## TERMINATION

### **When does Your coverage terminate?**

You will cease to be covered on the earliest to occur of the following dates:

1. the date the Group Insurance Policy terminates;
2. the date the Group Insurance Policy no longer insures Your class;
3. the date premium payment is due but not paid by the Employer;
4. the last day of the period for which You make any required premium contribution, if You fail to make any further required contribution;
5. the date You cease to be an Active Full-time Employee in an eligible class including:
  - a) temporary layoff;
  - b) leave of absence; or
  - c) a general work stoppage (including a strike or lockout); or
6. the date Your Employer ceases to be a Participant Employer, if applicable.

### **May coverage be continued during a leave of absence?**

If You are granted a leave of absence, the Employer may continue Your insurance for 6 month(s) following the month coverage would have terminated subject to the following:

1. the leave authorization is in writing or is documented as a leave for military purposes;
2. the required premium must be paid;
3. Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before said leave commenced; and
4. such continuation will cease immediately if one of the following events should occur:
  - a) the leave terminates prior to the agreed upon date;
  - b) the termination of the Group Insurance Policy;
  - c) non-payment of premium when due by the Policyholder or You;
  - d) the Group Insurance Policy no longer insures Your class; or
  - e) Your Employer ceases to be a Participant Employer, if applicable.

### **Does Your coverage continue if Your employment terminates because You are Disabled?**

If You are Disabled and You cease to be an Active Full-time Employee, Your insurance will be continued:

1. during the Elimination Period while You remain Disabled by the same Disability; and
2. after the Elimination Period for as long as You are entitled to benefits under the Policy.

### **Must premiums be paid during a Disability?**

No premium will be due for You:

1. after the Elimination Period; and
2. for as long as benefits are payable.

### **Do benefits continue if the plan terminates?**

If You are entitled to benefits while Disabled and the Group Insurance Policy terminates, benefits:

1. will continue as long as You remain Disabled by the same Disability; but
2. will not be provided beyond the date we would have ceased to pay benefits had the insurance remained in force.

Termination for any reason of the Group Insurance Policy will have no effect on our liability under this provision.

**May coverage be continued during a family or medical leave?**

If You are granted a leave of absence according to the Family and Medical Leave Act of 1993, Your Employer may continue Your insurance for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your coverage would have terminated, subject to the following:

4. such continuation will cease immediately if one of the following events should occur:
  - a) the leave terminates prior to the agreed upon date;
  - b) the termination of the Group Insurance Policy;
  - c) non-payment of premium when due by the Policyholder or You;
  - d) the Group Insurance Policy no longer insures Your class; or

## GENERAL PROVISIONS

### **Time Limits on Certain Defenses: What happens if facts are misstated?**

After three years from the date of issue of this Policy, no misstatement of the employer, except a fraudulent misstatement made in the application shall be used to void the Policy; and after three years from the effective date of the coverage with respect to which any claim is made no misstatement of any employee eligible for coverage under the Policy, except a fraudulent misstatement, made in an application under the Policy shall be used to deny a claim for loss incurred or disability (as defined in the Policy) commencing after expiration of such three years.

No claim for loss incurred or disability (as defined in the Policy) commencing after three years from the effective date of the insurance coverage with respect to which the claim is made shall be reduced or denied on the ground that a disease or physical condition, not excluded from coverage by name or specific description effective on the date of loss, had existed prior to the effective date of coverage with respect to which the claim is made.

### **Notice of Claim: When should We be notified of a claim?**

Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to Us at our offices in Hartford, Connecticut, or to any of our authorized agents, with information sufficient to identify the insured, shall be deemed notice to the insurer.

### **Claim Forms: Are special forms required to file a claim?**

We will, upon receipt of written claim notice, furnish to You such forms as are usually furnished by us for filing proof of loss. If such forms are not furnished within 15 days after We receive written notice of claim You shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

### **Proof of Loss: When must proof of Disability be given?**

Written proof of loss must be furnished to Us at our offices in Hartford, Connecticut in case of a claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which We are liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

### **Physical Examinations and Autopsy: What additional proof of Disability are We entitled to?**

At our Own expense, We shall have the right and opportunity to examine the person of any individual whose injury or sickness is the basis of claim when and as often as We may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death, where it is not forbidden by law.

### **Time Payment of Claims: When are payment checks issued?**

Indemnities payable under the policy for any loss other than loss for which the policy provides periodic payments will be paid as they accrue immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnity for loss for which the policy provides periodic payment will be paid on a monthly basis and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

### **Payment of Claims: Who gets the benefit payments?**

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any indemnity of the policy shall be payable to Your estate or to a person or beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity up to an amount not exceeding \$1000.00 to any relative by blood or connection by marriage of such person or beneficiary whom We deem to be equitably entitled thereto. Any payment We make in good faith pursuant to this provision shall fully discharge Us to the extent of such payment.

**What notification will You receive if Your claim is denied?**

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written decision will:

1. give the specific reason(s) for the denial;
2. make specific reference to the Policy provisions on which the denial is based;
3. provide a description of any additional information necessary to prepare a claim and an explanation of why it is necessary; and
4. provide an explanation of the review procedure.

**What recourse do You have if Your claim is denied?**

On any claim, the claimant or His representative must appeal to Us for a full and fair review.

1. You must request a review upon written application within:
  - a) 180 days of receipt of claim denial if the claim requires a determination of disability, or
  - b) 60 days of receipt of claim denial for all other claims; and
2. You may request copies of all documents, records, and other information relevant to Your claim; and
3. You may submit written comments, documents, records, and other information relating to Your claim.

We will respond to You in writing with our final decision on Your claim.

**Legal Action: When can legal action be started?**

No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

**What happens if benefits are overpaid?**

An overpayment occurs when it is determined that the total amount we have paid in benefits is more than the amount that was due to You under the plan. This includes, but is not limited to, overpayments resulting from:

1. retroactive awards of Other Income Benefits;
2. failure to report, or late notification to us of Other Income Benefits or earned income;
3. misstatement; or
4. an error we may make.

We have the right to recover from You any amount that is an overpayment of benefits under this plan. You must refund to us the overpaid amount. We may also, without forfeiting our right to collect an overpayment through any means legally available to us, recover all or any portion of an overpayment by reducing or withholding future benefit payments, including the Minimum Monthly Benefit.

**What are our subrogation rights?**

If an Insured Person:

1. suffers a Disability because of the act or omission of a third party;
2. becomes entitled to and is paid benefits under the Group Insurance Policy in compensation for lost wages; and
3. does not initiate legal action for the recovery of such benefits from the third party in a reasonable period of time;

then we will be subrogated to any rights the Insured Person may have against the third party and may, at our option, bring legal action to recover any payments made by us in connection with the Disability.

**How will We Determine Your Eligibility for Benefits?**

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility for benefits for any claim You make on The Policy. We will:

- 1) obtain, with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other

information, including but not limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;

- 2) consider and interpret The Policy and all information obtained by Us and submitted by You that relates to Your claim for benefits and make Our determination Your eligibility for benefits based on that information and in accordance with the Policy and applicable law;
- 3) if We approve Your claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with the Policy as described in the provision entitled "What notification will You receive if Your claim is denied?"

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled "What recourse do You have if Your claim is denied?" If You do not appeal the decision to Us, then the decision will be Hartford's final decision.

## DEFINITIONS

The terms listed will have these meanings.

### **Actively at Work**

You will be considered to be actively at work with your Employer on a day which is one of your Employer's scheduled work days if you are performing, in the usual way, all of the regular duties of your job on a Full-time basis on that day. You will be deemed to be actively at work on a day which is not one of your Employer's scheduled work days only if you were actively at work on the preceding scheduled work day. Except as otherwise indicated, for part-time employees the term Actively at Work also includes regular duties on a part-time basis

**Active Full-time Employee** means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. The employee must work the number of hours in the Employer's normal work week. This must be at least the number of hours indicated in the Schedule of Insurance. Except as otherwise indicated, the term Active Full-time Employee also includes part-time employees working the number of hours indicated in the Schedule of Insurance for part-time employment. Part-time employee does not include a temporary, leased or seasonal employee.

**Any Occupation**, if used in this Booklet-certificate, means an occupation in which You could reasonably be expected to perform satisfactorily in light of Your age, education, training, experience, station in life, and physical and mental capacity.

**Current Monthly Earnings** means the monthly earnings You receive from work You perform for Your Employer or for another employer with whom You became employed after Your Disability commenced.

**Employer** means the Policyholder.

**Essential Duty** means the substantial and material acts that are normally required for the performance of Your Usual Occupation, which cannot reasonably be omitted or modified.

To be at work for the number of hours in Your regularly scheduled workweek is also an Essential Duty.

**Your Occupation or Your Usual Occupation**, if used in this Booklet-certificate, means any employment, business, trade or profession and the substantial and material acts of the occupation You were regularly performing for Your employer when the disability began. Your Occupation is not necessarily limited to the specific job You performed for Your employer.

**Indexed Pre-disability Earnings** when used in this policy means Your Pre-disability Earnings adjusted annually by the percentage change in the Consumer Price Index (CPI-W).

The adjustment is made January 1st each year after You have been Disabled for 12 consecutive months, and if You are receiving benefits at the time the adjustment is made.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

For the purposes of this benefit, the percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31st, and the prior year's CPI-W as of July 31st, divided by the prior year's CPI-W.

**Mental Illness** means any psychological, behavioral or emotional disorder or ailment of the mind, including physical manifestations of psychological, behavioral or emotional disorders, but excluding demonstrable, structural brain damage.

  - b) an executive non qualified deferred compensation arrangement; or
  - c) a salary reduction arrangement under an IRC Section 125 plan; and
2. not including bonuses, commissions, overtime pay or expense reimbursements for the same period as above.

**Other Income Benefits** mean the amount of any benefit for loss of income, provided to You as a result of the Disability for which You are claiming benefits under this plan. This includes any such benefits that are paid to You or to a third party on Your behalf. This includes the amount of any benefit for loss of income from:

1. the United States Social Security Act, Civil Service Retirement System, the Railroad Retirement Act, the Jones Act, the Canada Pension Plan, the Quebec Pension Plan or similar plan or act that You are eligible to receive because of Your Disability;
2. the Veteran's Administration or any other governmental agency for the same Disability;

4. the portion of a settlement or judgment, minus associated costs, of a lawsuit that represents or compensates for Your loss of earnings;
5. any temporary disability benefits under a workers' compensation law, occupational disease law, or similar law.

Other Income Benefits also means the amount of any benefit for loss of income, provided to Your family from the United States Social Security Act, The Railroad Retirement Act, the Canada Pension Plan, the Quebec Pension Plan or similar plan or act that Your family is eligible to receive as a result of the Disability for which You are claiming benefits under this plan.

You will not be required to claim any retirement benefits which You may only get on a reduced basis.

Any general increase in benefits required by law that You are entitled to receive under any Federal Law will not reduce the Long Term Disability Benefit payable for a period of Total Disability that began prior to the date of such increase.

If You are paid Other Income Benefits in a lump sum, We will pro rate the lump sum:

1. over the period of time it would have been paid if not paid in a lump sum; or
2. if such period of time cannot be determined over a period of 24 months.

We may require:

1. Your signed statement identifying all Other Income Benefits; and
2. proof that You and Your family have duly applied for all Other Income Benefits We reasonably believe You or Your family are entitled to or eligible to receive as a result of the Disability for which You are claiming benefits under this plan.

You will be required to apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You will be required to apply within 45 days from the date of Our request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

- 1) to follow the process established by the Social Security Administration to reconsider the denial; and
- 2) if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals if such action can reasonably be expected to result in an award.

If You are eligible for benefits under The Canadian Pension Plan, The Quebec Pension Plan, Railroad Retirement Act, or other similar government plan You will be required to apply for such benefits if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits You are eligible to receive with reasonable diligence.

If Your disability was caused by a work injury, You will be required to apply for Workers' Compensation benefits with Your employer if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence.

If You are eligible for benefits from California State Disability Insurance or disability insurance from another state, You will be required to apply for California State Disability Insurance or disability insurance from another state if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence.

We will use any reasonable means to estimate the amount of Other Income Benefits payable under the Social Security Administration's Disability Income Program, the Canadian Pension Plan, The Quebec Pension Plan or any similar plan or act if We reasonably believe You or Your family are entitled or eligible to receive them but You or Your family have not applied; or failed to pursue them with reasonable diligence; or You have failed to provide Us with proof that You or Your family have applied for and reasonably pursued these benefits. We will deduct the estimated amount of this benefit from Your Monthly Benefit payable under this plan even if You or Your family are not receiving these benefits.

We will use any reasonable means to estimate the amount of temporary disability benefits payable to You under a workers compensation law or any other occupational disease law or similar act; or the amount of benefits payable to You under any statutory benefit law, plan or act if We reasonably believe You are entitled or eligible to receive them but You have not applied; or failed to pursue them with reasonable diligence; or failed to provide Us with proof that You have applied for and reasonably pursued these benefits. We will deduct the estimated amount of these benefits from Your Monthly Benefit payable under this plan even if You are not receiving these benefits.

### **When will You become eligible? (Eligibility Waiting Period)**

If You start working for the Employer after the Policy Effective Date, You will be eligible for coverage on the first day of the month following Your date of hire.

### **When will You become eligible for Dependent Coverage?**

You will become eligible for Dependent coverage on the later of:

1. the date You become eligible for employee coverage; or
2. the date You acquire Your first Dependent.

### **What is the Guaranteed Issue Amount?**

This is the Amount of Insurance for which We do not require Evidence of Good Health. The Guaranteed Issue Amount is shown in the Schedule of Insurance.

### **What is Evidence of Good Health?**

Evidence of Good Health is information about a person's health from which We can determine if coverage or increases in coverage will be effective. Information may include questionnaires, physical exams, or written documentation as required by Us.

Inquiries as to the status of Your submission of Evidence of Good Health should be addressed to Your Employer and/or Benefit Administrator. We, Your Employer and/or Benefit Administrator will notify You of approvals. We will notify You, in writing, of any disapprovals.

**When will Evidence of Good Health be required?**

Evidence of Good Health is required if:

If Evidence of Good Health is not approved in this situation, You and Your Dependents are eligible for the amount You requested for which Evidence of Good Health was not required.

Additionally, once approved, Evidence of Good Health will be required again only if Your or Your Dependents Amount of Life Insurance is greater than the Guarantee Issue Amount and You increase Your or Your Dependents coverage election.

**ELIGIBILITY AND ENROLLMENT**

**Must You contribute toward the cost of coverage?**

With respect to Basic Life Insurance and AD&D coverage, You do not contribute toward the cost.

With respect to Supplemental Life Insurance and Supplemental Dependent Life Insurance coverage, You must contribute toward the cost.

**How do You enroll?**

To enroll You must:

1. complete and sign a group insurance enrollment form which is satisfactory to Us; and
2. deliver it to the Employer.

If You do not enroll within 31 days after becoming eligible, the following limitations will apply to a later enrollment:

1. You must submit Evidence of Good Health; and
2. You may not enroll until:
  - a) an Annual Enrollment Period; or
  - b) You have a Change in Family Status.

Any such enrollment must be made during the Annual Enrollment Period or within 31 days of the Change in Family Status.

The Annual Enrollment Period is determined by Your Employer on a yearly basis.

**What constitutes a Change in Family Status?**

A Change in Family Status means:

1. Your marriage, or the birth or adoption of a child, or becoming the legal guardian of a child;
2. the death of or divorce from Your spouse;
3. the death of or emancipation of a child;
4. spouse's loss of employment which results in a loss of group insurance; or
5. change in classification from Part-time to Full-time or from Full-time to Part-time.

**When does coverage start?**

Your coverage will start on the latest of the dates determined below:

1. the date You become eligible, if You enroll or have enrolled by then;
2. the date on which You enroll, if You do so within 31 days after the date You are eligible;
3. the date We approve Evidence of Good Health which We may have required; or
4. the first day of the month following the Annual Enrollment Period if You enroll during an Annual Enrollment Period.

All of the above effective dates are subject to the Deferred Effective Date provision.

**What is the Deferred Effective Date provision for employees?**

If You are absent from work due to a physical or mental condition on the date Your insurance, an increase in coverage or a new benefit added to the Policy would otherwise have become effective, the effective date of Your insurance, any increase in insurance or the additional benefit will be deferred until the date You return to work as an Active Full-time or Part-time Employee.

**Are there exceptions to the Deferred Effective Date provision?**

If You were insured under the Prior Plan on the day before the Policy Effective Date and You would be eligible for coverage on the Policy Effective Date except that You are not able to meet the requirements of the Deferred Effective Date provision, then:

1. the Deferred Effective Date provision will not apply to the original effective date of coverage; and
2. the coverage amount shown in the Schedule of Insurance will not apply to You.

Instead, You will be considered to be insured and Your coverage amount will be the lesser of:

1. the Amount of Life Insurance and Principal Sum under the Prior Plan; or
2. the Amount of Life Insurance and Principal Sum shown in the Schedule of Insurance,

reduced by:

1. any coverage amount in force or otherwise payable due to any disability benefit extension under the Prior Plan; or
2. any coverage amount that would have been in force due to any disability benefit extension under the Prior Plan had timely election for the disability provision been made.

You will remain insured under this provision until the first to occur of:

1. the date You return to work as an Active Full-time or Part-time Employee;
2. the date Your insurance terminates for a reason stated under the Termination provision;
3. the last day of a period of 12 consecutive months which begins on the Policy Effective Date; or
4. the last day You would have been covered under the Prior Plan, had the Prior Plan not terminated.

**When does coverage for Your Dependent(s) start?**

You are required to enroll for contributory Dependent coverage. To do so You have to complete and sign a group insurance enrollment form acceptable to Us and deliver it to the Employer.

Your spouse will become insured for coverage for which We do not require Evidence of Good Health on the first to occur of:

1. the date You are eligible for Dependent Coverage, if You enroll or have enrolled for spouse coverage by then; or
2. the date You enroll for Dependent Coverage, if You do so within 31 days after the date You are eligible.

If You enroll for Dependent Coverage more than 31 days after You are first eligible to do so, no coverage will be available without Evidence of Good Health.

Coverage for which We require Evidence of Good Health will be effective on the later of:

1. the date You become eligible; or
2. the date approved by Us.

Each child will become insured for coverage for which We do not require Evidence of Good Health on the first to occur of:

1. the date You are eligible for Dependent Coverage, if You enroll or have enrolled for child coverage by then; or
2. the date You enroll for coverage for Your child, if You do so within 31 days after the date You acquire the child.

If You enroll for Dependent Coverage more than 31 days after You are first eligible to do so, no coverage will be available without Evidence of Good Health.

Coverage for which We require Evidence of Good Health will be effective once approved by Us.

In no event will Dependent Coverage become effective before the date You become insured.

All effective dates of coverage are subject to the Deferred Effective Date provision for Dependents.

**What is the Deferred Effective Date provision for Dependents?**

If a Dependent, other than a newborn, is confined at home, in a hospital or elsewhere because of a physical or mental condition on the date insurance, an increase in coverage or a new benefit added to the Policy would otherwise have become effective, the effective date of insurance, any increase or additional benefit will be deferred until the Dependent is discharged from the hospital or no longer confined and has engaged in substantially all the normal activities of a healthy person of the same age for a period of at least 15 days in a row.

"Confined elsewhere" means the individual is unable to perform, unaided, the normal functions of daily living, or leave home or other place of residence without assistance.

**Are there exceptions to the Deferred Effective Date provision?**

If You were insured with respect to a Dependent under the Prior Plan as of the day before the Policy Effective Date, the Deferred Effective Date provision will not apply to the original effective date of coverage for any Dependent.

Instead, Your Dependent will be considered to be insured and the Amount of Insurance will be the lesser of:

1. the Amount of Insurance in force on the life of the Dependent under the Prior Plan; or
2. the Amount of Insurance shown in the Schedule of Insurance.

**When are changes effective?**

The provisions, terms and conditions of the Schedule of Insurance or this Booklet-certificate may be modified, amended or changed at any time; consent from any covered individual is not required.

If there is any type of change in Your class, Earnings, the Schedule of Insurance or the Booklet-certificate which:

1. decreases an amount of coverage or deletes, limits or restricts the availability of a benefit or provision, then that decrease, deletion, limitation or restriction will be effective on the date the change in class, Earnings, the Schedule of Insurance or the Booklet-certificate is effective;
2. increases an amount of coverage or adds, improves or increases availability of a benefit or provision, then that increase, addition or improvement will be effective on the date the change in class, Earnings, the Schedule of Insurance or the Booklet-certificate is effective, subject to application of the Deferred Effective Date provision and Our approval where Evidence of Good Health is required.

**BENEFITS**

**Life Insurance Benefit**

**To whom and how are benefits paid?**

A completed claim form, a certified copy of the death certificate and Your enrollment form must be sent to the Employer or Us. When the required claim papers are received and approved by Us, the Amount of Life Insurance will be paid.

Benefits payable for a Dependent's death are payable to You if living, otherwise, We may, at Our option, pay the benefit to Your surviving spouse or to the executors or administrators of Your estate.

Your death benefit will be paid in a lump sum to the beneficiary(ies) designated by You in writing and on file with the Employer.

Unless You have requested something different, payment will be made as follows:

1. If more than one beneficiary is named, each will be paid an equal share.
2. If any named beneficiary dies before You, His share will be divided equally among the named surviving beneficiaries.

If no beneficiary is named, or if no named beneficiary survives You, We may, at Our option, pay:

1. up to \$500 of Your life insurance to any party that We deem is entitled because of their payment of burial expenses. We will be released from further liability for any amount so paid; and/or
2. the executors or administrators of Your estate; or
3. Your surviving relatives in the following order:
  - a) all to Your surviving spouse; or
  - b) if Your spouse does not survive You, in equal shares to Your surviving children; or
  - c) if no child survives You, in equal shares to Your surviving parents.

If a minor does not have a legal guardian, We may, until such a guardian is appointed, pay the person We deem to be caring for and supporting him. Such payment will be in monthly installments of not more than \$200.

If a death benefit payable meets Our guidelines, then the benefit is payable into a checking account. In the case of a Dependent death benefit, You own the checking account. In the case of Your death benefit, Your beneficiary owns the checking account. A lump sum payment may be elected by writing a check for the full amount in the checking account.

#### **What benefit is payable if Your death results from suicide?**

No Supplemental Life or Supplemental Dependent Life benefit will be payable if death results from suicide, whether sane or insane, within 2 years of the effective date of Your coverage. Additionally, if death resulting from suicide, whether sane or insane, occurs within 2 years of the effective date of an increase in Your coverage, the death benefit payable is limited to the amount of coverage in force prior to the increase. The 2 year period includes the time coverage was in force under a Prior Plan.

### **Accelerated Death Benefit**

#### **What is the benefit?**

If You are or Your Dependent is diagnosed as being Terminally Ill and proof of such diagnosis is provided by an attending physician licensed to practice in the United States, and that person is:

1. less than age 60; and
2. insured for at least \$10,000,

then You may request that a portion of that person's Amount of Life Insurance be paid to You prior to death.

The request cannot exceed 80% of the in force Amount of Life Insurance, and is subject to a minimum of \$3,000 and a maximum of \$500,000. You may exercise this option only once per person.

For example, if You have an Amount of Life Insurance equal to \$20,000 and You are Terminally Ill, You can request any portion of the life insurance between \$3,000 to \$16,000 to be paid to You now instead of to Your beneficiary at Your death. However, if You decide to request only \$3,000 now, You cannot request the additional \$13,000 in the future.

#### **What does Terminal Illness/Terminally Ill mean?**

Terminally Ill or Terminal Illness means that an individual has a life expectancy of 12 months or less.

**RECEIPT OF ANY BENEFITS IN ACCORDANCE WITH THIS PROVISION WILL REDUCE LIFE INSURANCE BENEFITS PAYABLE UPON DEATH.**

**What if an individual is no longer Terminally Ill?**

If diagnosed as no longer Terminally Ill, coverage may or may not remain in force. Coverage which remains in force will be reduced by any amount of Accelerated Death Benefits received and premium is due for this reduced amount. If coverage does not remain in force, then the reduced amount of coverage may be converted.

**What limitations apply to this benefit?**

The Accelerated Death Benefit provision will be subject to all applicable terms and conditions of the Policy.

No Accelerated Death Benefit will be paid if You are required by law to accelerate benefits to meet the claims of creditors, or if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement.

**What if You made an assignment under this plan?**

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to pay benefits to You under this provision, We must receive a release from the individual to whom the assignment was made before any benefits are payable.

**Accidental Death and Dismemberment (AD&D) Benefit  
Employee Only**

**What conditions are necessary for benefits to become payable?**

We will pay a benefit if You suffer an accidental injury while insured and:

1. a Loss results directly from such injury, independent of all other causes; and
2. such Loss occurs within 365 days after the date of the accident causing the injury.

**When should We be notified of a claim?**

A claimant must give Us, or Our appropriate representative, written notice of a claim within 20 days after the Loss happens or starts. If notice cannot be given within that time, it must be given as soon as possible after that.

Such notice must include:

1. the claimant's name and address; and
2. the Policy or account number.

**Are special forms required to file a claim?**

Within 15 days of receiving a notice of claim, We or Our appropriate representative will send forms to the claimant for providing proof of Loss. If the forms are not provided within 15 days, the claimant may submit any other written proof which fully describes the nature and extent of claim.

**When must proof of Loss be given?**

Satisfactory written proof of Loss must be sent to Us or Our appropriate representative, within 90 days after the date of such Loss. However, all claims must be submitted to Us within 90 days of the date any individual's insurance terminates.

If proof is not given by the time it is due, it will not affect the claim if:

1. it was not possible to give proof within the required time; and
2. proof is given as soon as possible, but no later than a year after it is due unless the claimant is not legally competent.

**When and to whom will Your claim be paid?**

Benefits for Loss of life will be paid in accordance with Your life insurance beneficiary designation. Unless otherwise specified, benefits for all other Losses are payable to You.

Benefits for all other Losses will be paid as soon as due written proof is received. Benefits for all other Losses will be paid not more than 60 days after written proof is received.

Any payments other than for Loss of life which are owing at Your death may be paid to Your estate. If any payment is owed to:

1. Your estate;
2. a person who is a minor; or
3. a person who is not legally competent,

then We may pay up to \$1,000 to Your relative who is entitled to it in Our opinion. Any such payment shall fulfill Our responsibility for the amount paid.

**What types of injuries are excluded from coverage?**

No benefit will be paid for a Loss caused or contributed to by:

1. sickness;
2. disease;
3. any medical treatment for items (1) or (2);
4. any infection, except a pus-forming infection of an accidental cut or wound;
5. war or any act of war, whether war is declared or not;
6. any injury received while in any armed service of a country which is at war or engaged in armed conflict;
7. any intentionally self-inflicted injury, suicide, or suicide attempt, whether sane or insane;
8. taking drugs, sedatives, narcotics, barbiturates, amphetamines or hallucinogens unless prescribed for or administered by a licensed physician; or
9. the injured person's intoxication.

Intoxication means that blood alcohol content or the results of other means of testing blood alcohol level, meet or exceed the legal presumption of intoxication under the law of the state where the accident took place.

**What is the benefit payable?**

The benefit payable for any Loss is that which is shown opposite the Loss in the following schedule. The Principal Sum is shown in the Schedule of Insurance. No benefit is payable for any Loss which is not shown in the schedule below.

### **Seat Belt/Air Bag Benefit**

Subject to all conditions and limitations of this AD&D Benefit, if You suffer a Loss under the AD&D Benefit, while:

1. a passenger riding in; or
2. the licensed operator of,

an Automobile and, at the time of the accident, You were properly wearing a Seat Belt as verified on the police report, then a Seat Belt Benefit will be payable in addition to the Principal Sum.

### **What is the Seat Belt Benefit payable?**

The Seat Belt Benefit payable is the lesser of:

1. 10% of the Principal Sum; or
2. \$10,000.

### **What conditions are necessary for an Air Bag Benefit to become payable?**

1. You were positioned in a seat that was equipped with a factory installed Air Bag;

3. the police report establishes that the Air Bag inflated properly upon impact.

Air Bag means an inflatable supplemental passive restraint system installed by the manufacturer of the Automobile, or proper replacement parts as required by the Automobile manufacturer's specifications, that inflates upon collision to protect an individual from injury and death. An Air Bag is not considered a Seat Belt.

Automobile means a duly registered, four wheeled, private passenger car, pick-up truck, van, self-propelled motor home or sport utility vehicle which is not being used as a Common Carrier.

Common Carrier means a conveyance operated by a concern, other than the Employer, organized and licensed for the transportation of passengers for hire and operated by an employee of that concern.

Seat Belt means an unaltered belt, lap restraint, or lap and shoulder restraint installed by the manufacturer of the Automobile, or proper replacement parts as required by the Automobile manufacturer's specifications.

### **Repatriation Benefit**

Subject to all conditions and limitations of this AD&D Benefit, if You die, then a Repatriation Benefit will be paid in addition to the Principal Sum. For a Repatriation Benefit to be payable, the death must occur outside the territorial limits of the state or country of Your place of permanent residence.

### **What is the Repatriation Benefit payable?**

## **TERMINATION Employee Coverage**

### **When does Your coverage terminate?**

Unless continued in accordance with the Exceptions to Termination section, Your insurance will terminate on the first to occur of:

1. the date the Policy terminates;
2. the last day of the period for which You made any required premium contribution, if You fail to make any further required contribution;
3. the date You are no longer in a class eligible for coverage;
4. the date Your Employer terminates Your employment; or
5. the date You are absent from work as an Active Full-time or Part-time Employee.

## **EXCEPTIONS TO TERMINATION**

### **Under what conditions can Your insurance be continued under the continuation provisions?**

If You are absent from work as an Active Full-time or Part-time Employee, Your insurance may be continued up to the maximum period of time stated. In each instance, such continuation shall be at the Employer's option, but must be according to a plan which applies to all employees in the same way. Continued coverage:

1. is subject to any reductions in the Policy;
2. is subject to payment of premium by the Employer; and
3. terminates when the Policy terminates.

If You are on a documented leave of absence, other than Family or Medical Leave, all of Your coverages (including Dependent Life coverage) may be continued for 12 consecutive month(s) following the month in which the leave of absence commenced.

If You are granted a leave of absence according to the Family and Medical Leave Act of 1993, all of Your coverages (including Dependent Life coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your insurance would have terminated, subject to the following:

1. the leave authorization must be in writing;
2. the required premium for You must be paid;
3. Your benefit level will be that which was in effect on the day before said leave started, subject to any reductions included in the Policy;
4. the amount of Earnings upon which Your benefit may be based, will be that which was in effect on the day before said leave started; and
5. continued coverage will cease immediately if one of the following events should occur:
  - a) the leave terminates prior to the agreed upon date;
  - b) the Policy terminates;
  - c) You or the Policyholder fail to pay premium when due; or
  - d) the Policy no longer insures Your class.

In all other respects, the terms of Your insurance remain unchanged.

If You are absent from work due to sickness or injury, all of Your coverages (including Dependent Life coverage) may be continued until the last day of a period of 12 month(s) which begins on the date You were first absent from work as an Active Full-time or Part-time Employee. If You feel that Your condition may continue for an extended period of time, You should request that Your Employer file a waiver of premium claim.

### **What is Waiver of Premium?**

Waiver of premium is a provision which allows for continued employee or Dependent life insurance, without payment of premium, while You are Disabled. You or Your Dependent may not exercise the rights under the Portability provision and qualify for waiver of premium.

**To what coverages does the Waiver of Premium apply?**

These provisions apply only to Your Basic and Supplemental Life Insurance and Dependent Life Insurance.

Waiver of Premium does not apply to any AD&D Insurance.

**What conditions must be satisfied before You qualify for Waiver of Premium?**

1. You must be less than age 60, insured and Disabled; and
2. acceptable proof of Your condition must be furnished to Us within one year of Your last day of work as an Active Full-time or Part-time Employee.

**What does Disabled mean?**

Disabled means that You have a condition that prevents You from doing any work for which You are or could become qualified by education, training or experience and it is expected that this condition will last for at least nine consecutive months from Your last day of work as an Active Full-time or Part-time Employee; or You have been diagnosed with a life expectancy of 12 months or less.

**When will We waive premium?**

We will waive premium after proof that You are Disabled is provided by an attending physician licensed to practice in the United States and We approve the proof. You will be notified by Us of the date We will begin to waive premium.

Continued coverage will be subject to any age reductions provided by any part of the Policy.

**What if You or Your Dependent die before You qualify for Waiver of Premium?**

If:

1. You or Your Dependent should die within one year of Your last day of work as an Active Full-time or Part-time Employee but prior to qualifying for waiver of premium; and
2. You were Disabled,

We will pay the Amount of Life Insurance which is in force for You or Your Dependent. Your Dependent Life coverage will terminate on the date You die. They may be eligible for conversion as of that date.

**Can We have You examined for proof that You continue to be Disabled?**

During the first two years following the date You qualify as Disabled, We may have You examined at reasonable intervals. Thereafter, We will only require an annual examination to confirm that You continue to be Disabled. If You fail to submit any required proof or refuse to be examined as required by Us, then Your coverage will terminate.

**What if You are no longer Disabled?**

If, for any reason, You are no longer Disabled, Your premium will no longer be waived. On that date, You may or may not return to work.

If You return to work in an Eligible Class, then all of Your coverages will be reinstated subject to the terms of the Policy in effect on the reinstatement date.

If You do not return to work within an Eligible Class, and You are not eligible for any other group life insurance, then You are entitled to the Conversion Privilege. You may convert the Amount of Life Insurance that is in force for You and Your Dependent on the date it is determined that You are no longer Disabled.

On the date waiver of premium terminates, if You do not return to work, You will be entitled to convert Your coverage. You may convert no more than Your Amount of Life Insurance that is in force on the date waiver of premium terminates. On the date the waiver of premium terminates for Dependent Life coverage, Your Dependents may be eligible to convert.

**What if the Policy terminates before You qualify for waiver of premium?**

If the Policy terminates before You qualify for waiver of premium, You may be eligible to convert. Additionally, You may later be approved for waiver of premium.

**What if the Policy terminates after You qualify for waiver of premium?**

Termination of the Policy will not affect Your coverage under the terms of this provision.

## **DEPENDENT COVERAGE**

### **When does Dependent Coverage terminate?**

Unless continued in accordance with the Exception to Termination section, a covered Dependent's insurance will terminate on the earliest of:

1. the date Your coverage terminates;
2. the last day of the period for which any required premium contribution is made, if You fail to make any further required contribution;
3. the date You are no longer eligible for Dependent Coverage;
4. the date the Dependent no longer meets the definition of Dependent; or
5. the date We or the Employer terminate Dependent Coverage.

## **EXCEPTIONS TO TERMINATION**

### **Under what conditions can Dependent child insurance be continued?**

If a covered Dependent child reaches the age at which He would otherwise cease to be a Dependent as defined, and the Dependent child is:

1. disabled and incapable of earning His own living; and
2. primarily dependent on You for support and maintenance,

then Dependent coverage will not terminate solely due to age if You submit satisfactory proof of the Dependent child's disability to Us within 31 days of the date the Dependent child reaches such age.

Coverage will continue while the Policy remains in force as long as:

1. the child continues to meet the required conditions; and
2. any required premium is paid.

We will have the right to require satisfactory proof that the child continues to meet the required conditions as often as necessary during the first two years of continuation, but not more than once a year after that.

## **PORTABILITY**

### **When can a person elect Portability?**

You may elect portability if:

3. You do not currently have coverage for the amount of life insurance You intend to continue under a certificate of insurance issued in accordance with a conversion, portability or other similar provision under this Policy.

### **What does Retirement mean?**

Retirement means the date You attain normal retirement age under the 1983 United States Social Security Act, and any amendments thereto.

### **Will the Waiver of Premium provision be available if You elect to continue coverage under this Portability provision?**

No.

**Will Conversion be available if a person elects to continue coverage under this Portability provision?**

If a person elects to continue all terminated coverage under this portability provision, then the Conversion provision is not available. If a person elects to continue only a portion of terminated coverage under this portability provision, then the Conversion privilege will be available for the remaining amount.

**How is Portability elected?**

A person must, within 31 days of the date group coverage terminates:

1. make written application to Us; and
2. pay the required premium.

If this is done, We will issue a certificate of insurance under a group portability policy. Such coverage will be:

1. issued without evidence of good health;
2. on one of the forms then being issued by Us for portability purposes; and
3. effective on the day following the date insurance terminates.

The terms and conditions of coverage under the group portability policy will be similar, but may not be identical, to coverage under this plan.

**What limitations apply to this benefit?**

A person may elect to continue 50%, 75% or 100% of his amount of life insurance being terminated. Such amount will be rounded to the next higher \$1,000, if not already an even multiple thereof. No employees amount of life insurance continued may exceed \$250,000.

If an election is made to continue 50% or 75% now, a person may not continue any portion of the remaining amount. In no event will a person be able to continue an amount of life insurance which is less than \$5,000.

**How much does Portability cost?**

See Your Employer for the cost.

**CONVERSION PRIVILEGE**

The following does not apply to any AD&D Benefits.

**When can an individual convert?**

If insurance, or any portion thereof, terminates, then any individual covered under the Policy may convert his life insurance to a conversion policy without providing Evidence of Good Health.

If the qualifying event is policy termination or termination of coverage for a class then the individual must have been insured for at least 5 years under the Policy in order to be eligible for this conversion privilege.

**What is the conversion policy?**

The conversion policy will:

1. be on one of the life insurance policy forms, except term insurance, then customarily issued by Us for conversion purposes;
2. contain no disability, supplementary or AD&D benefits; and
3. be effective on the 32nd day after group life insurance terminates.

**How much can be converted?**

If the qualifying event is policy termination or termination of coverage for a class, then the amount which may be converted is limited to the lesser of:

1. the amount of group coverage in force prior to the qualifying event, reduced by the amount of any other group coverage for which the individual becomes covered within 31 days of termination of group coverage; or
2. \$2,000.

If conversion is due to retirement or any other qualifying event, the full amount of coverage lost may be converted.

**How does an individual convert coverage?**

To convert life insurance, the individual must, within 31 days of the date group coverage terminates, make written application to Us and pay the premium required for his age and class of risk.

**What if death occurs during the conversion election period?**

If the individual should die within the 31 day conversion election period, We will, upon receipt of acceptable proof of His death, pay the Amount of Life Insurance He was entitled to convert.

**GENERAL PROVISIONS****When can this plan be contested?**

Except for non-payment of premium, the Policy cannot be contested after two years from the Policy Effective Date.

No statement relating to insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during the individual's lifetime. In order to be used, the statement must be in writing and signed by the affected individual.

**Are there any rights of assignment?**

Except for the dismemberment benefits under the AD&D Benefit, You have the right to absolutely assign all of Your rights and interest under the Policy including, but not limited to, the following:

1. the right to make any contributions required to keep the insurance in force;
2. the privilege of converting; and
3. the right to name and change a beneficiary.

However, You may not assign rights to the Employer, and if You are terminally ill, You may not make an absolute assignment if the benefits under the Policy would be used as collateral for a loan.

No absolute assignment of rights and interest shall be binding on Us until and unless:

1. the original of the form documenting the absolute assignment; or
2. a true copy of it,

is received and acknowledged by Us at our home office.

We have no responsibility:

1. for the validity or effect of any assignment; or
2. to provide any assignee with notices which We may be obligated to provide to You.

**How do You designate or change Your beneficiary?**

You may designate or change a beneficiary by doing so in writing on a form satisfactory to Us and filing the form with the Employer. Only satisfactory forms sent to the Employer prior to Your death will be accepted.

Designations will become effective as of the date You signed and dated the form, even if You have since died. We will not be liable for any amounts paid before receiving notice of a beneficiary change from the Employer.

One Day Care Benefit payment will be made each year, for a maximum of 4 Day Care Benefit payments, for each Eligible Dependent.

The Day Care Benefit is the lesser amount of:

- a) the Maximum Amount; or
- b) an amount determined by applying the Day Care Percent to the amount of your Principal Sum.

We will pay the Minimum Amount stated in the Schedule in accordance with the Claims Provision for payment of benefits for loss of life if:

- a) a Principal Sum is payable because of your death or your Covered Spouse's death; and
- b) no person qualifies as an Eligible Child for a Day Care Benefit.

The Maximum Amount, Minimum Amount, and Percent are shown in the Schedule.

Your amount of Principal Sum is determined in the Enrollment Form on file with the Policyholder. Your Covered Spouse's amount of Principal Sum is shown in the Accidental Death and Dismemberment section as a percentage of your Principal Sum.

**Day Care Program** means a program of child care which:

- a) is operated in a private home, school or other facility; and
- b) provides, and makes a charge for, the care of children; and
- c) is licensed as a Day Care center or is operated by a licensed Day Care provider, if such licensing is required by the state of jurisdiction in which it is located; or
- d) if licensing is not required, provides child care on a daily basis for 12 months a year.

## COMA BENEFIT

If, as the result of an Injury, a Covered Person:

- a) becomes Comatose within 31 days from the accident; and
- b) remains continuously Comatose for at least the number of days shown as the Waiting Period;

we will pay 1% of the Comatose Maximum Benefit Amount for each month after the Waiting Period that a Covered Person remains in a Coma.

Payment will cease on the earliest to occur of:

- 1) the end of the month in which the Covered Person dies;
- 2) the end of the month in which the Covered Person recovers from the Coma; or
- 3) when the total payment equals the Comatose Maximum Benefit Amount.

The Comatose Maximum Benefit Amount equals the Principal Sum less all other payments under the Accidental Death and Dismemberment Benefit for the Injury.

**Coma** means complete and continuous:

- a) unconsciousness; and
- b) inability to respond to external or internal stimuli.

Your amount of the Principal Sum is determined in the Enrollment Form on file with the Policyholder. The amount of Principal Sum for each of your Covered Dependents is shown in the Accidental Death and Dismemberment Benefit as a percent of your Principal Sum. The Waiting Period is shown in the Schedule.

We will not pay more than the Principal Sum under this benefit, and the Accidental Death and Dismemberment Benefit for all losses including Coma, which are due to the same accident.

## CLAIMS

**Notice of Claim:** The person who has the right to claim benefits (the claimant or beneficiary) must give us written notice of a claim within 20 days after a covered loss begins. If notice cannot be given within that time, it must be given as soon as reasonably possible.

The notice should include your name and the policy number. Send it to our office in Hartford, Connecticut, or give it to our agent.

**Claim Forms:** When we receive the notice of claim, we will send forms to the claimant for giving us proof of loss. The forms will be sent within 15 days after we receive the notice of claim.

If the forms are not received, the claimant will satisfy the proof of loss requirement if a written notice of the occurrence, character and nature of the loss is sent to us.

**Proof of Loss:** Proof of loss must be sent to us in writing within 90 days after:

- a) the end of a period of our liability for periodic payment claims; or
- b) the date of the loss for all other claims.

If the claimant is not able to send it within that time, it may be sent as soon as reasonably possible without affecting the claim. The additional time allowed cannot exceed one year unless the claimant is legally incapacitated.

**Time of Claim Payment:** We will pay any daily, weekly or monthly benefit due:

- a) on a monthly basis, after we receive the proof of loss, while the loss and our liability continue; or
- b) immediately after we receive the proof of loss following the end of our liability.

We will pay any other benefit due immediately after we receive the proof of loss.

**Payment of Claims:** We will pay any benefit due for loss of life:

- a) according to the beneficiary designation in effect under the policy at the time of death; or
- b) if no beneficiary is designated, according to the beneficiary designation under the Group Life Insurance Policy issued to the Policyholder and in effect at time of death; otherwise
- c) to your estate.

All other benefits due and not assigned will be paid to you, if living. Otherwise, the benefits may, at our option, be paid:

- a) according to the beneficiary designation; or
- b) to your estate.

If a benefit due is payable to:

- a) your estate; or
  - b) you or a beneficiary who is either a minor or not competent to give a valid release for the payment;
- we may pay up to \$1,000 of the benefit due to some other person.

The other person will be someone related to you or the beneficiary by blood or marriage who we believe is entitled to the payment. We will be relieved of further responsibility to the extent of any payment made in good faith.

**Appealing Denial of Claims:** If a claim for benefits is wholly or partially denied, notice of the decision shall be furnished to you. The written decision will:

- a) give the specific reason or reasons for denial;
- b) make specific reference to the policy provision on which the denial is based;
- c) provide a description of any additional information necessary to prepare the claim and an explanation of why it is necessary; and
- d) provide an explanation of the review procedure.

On any denied claim, you or your representative may appeal to us for a full and fair review. The claimant may:

- a) request a review upon written application within 60 days of the receipt of claim denial;
- b) review pertinent documents;
- c) submit issues and comments in writing.

We will make a decision no more than 60 days after the receipt of the request for review, except in special circumstances (such as the need to hold a hearing), but in no case more than 120 days after we receive the request for review. The written decision will include specific reasons on which the decision is based.

**Physical Examinations and Autopsy:** While a claim is pending we have the right at our expense:

- a) to have the person who has a loss examined by a physician when and as often as we feel is necessary; and
- b) to make an autopsy in case of death where it is not forbidden by law.

**Legal Actions:** You cannot take legal action against us:

- a) before 60 days following the date proof of loss is sent to us;
- b) after 3 years following the date proof of loss is due.

**Naming a Beneficiary:** You may name a beneficiary or change a revocably named beneficiary by giving your Written Request to the Policyholder. Your request takes effect on the date you execute it, regardless of whether you are living when the Policyholder receives it. We will be relieved of further responsibility to the extent of any payment we made in good faith before the Policyholder received your request.

**Assignment:** We will recognize any assignment you make under the policy, provided:

- a) it is duly executed; and
- b) a copy is on file with us.

We and the Policyholder assume no responsibility for the validity or effect of an assignment.

By law, Cafeteria Plans are subject to the following restriction:

The benefits you elect during the enrollment period will remain in effect until the next enrollment period. Section 125 allows exception to this rule only in specified situations, including change in family status and commencement or termination of employment.

## STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

### 1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### 2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### 3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### 4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## **CLAIM PROCEDURES**

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy.

### **Claim Procedures for Claims Requiring a Determination of Disability**

#### Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Plan, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary, 4) a description of the review procedures and time limits applicable to such procedures, 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal, and 6) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the denial, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the denial and that a copy will be provided free of charge to you upon request, or (B) if denial is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the determination, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request.

#### Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, we will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a statement that you have the right to bring a civil action under section 502(a) of ERISA, 4) a statement that you may request, free of charge, copies of all documents, records, and other information relevant to your claim; 5) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the decision on appeal, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the decision on appeal and that a copy will be provided free of charge to you upon request, or (B) if the decision on appeal is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the decision on appeal, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request, and 6) any other notice(s), statement(s) or information required by applicable law.

Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

## Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. 1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
