**\*Community Resource Advisor (CRA)**, whose names can be found on the Student-on-Student Sexual and Interpersonal Misconduct Policy website, may speak privately with students regarding incidents of sexual and interpersonal misconduct without automatically triggering a Law School investigation into the matter. These individuals may have time and place reporting responsibilities under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), but are not obligated to report identifying information of the Complainant. If the Respondent's name is presented to a Community Resource Advisor, they will be obligated to report that information to the Deputy Title IX Coordinator. Reports by the Community Resource Advisor will not trigger a Law School investigation unless the Deputy Title IX Coordinator in consultation with the Associate Dean for Student Affairs or designee determines that an investigation is necessary because:

- a. The Respondent has known prior allegations of sexual or interpersonal misconduct and a potential for a campus safety risk exists; or
- b. The location in which the alleged incident occurred is a location where previous complaints of sexual or interpersonal misconduct occurred creating the potential for a unsafe environment for the LLS community; or
- c. A threat to the campus community at large has been identified; or
- d. A frequency or pattern is detected that suggests an unsafe environment exists for the LLS community or an LLS community member; or
- e. The Sexual or interpersonal misconduct was perpetrated with a weapon; or
- f. The Victim is a minor; or
- g. Some combination of the above factors exists.
